

Satellite Suites™

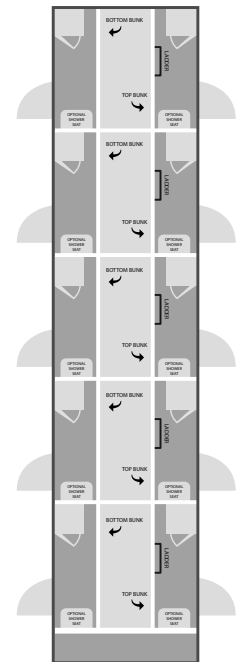

BUNK | 10 STATION

Satellite Suites Bunk Suite is the perfect solution for oil fields, fire response teams, and hurricane relief. With room to accommodate 10, each individual bunk is fitted with a dresser cabinet, and a comfortable 10" mattress. Each unit has its own separate entrance designed for maximum privacy, safety, and security accommodating men and women alike. Individual rooms make it easy to sanitize in between occupants. The thick interior walls cancel noise between bunks to assure each person gets a good night's sleep.
