

FRESH START SHOWER

Are you looking for an affordable solution for customers who need single-unit showers? Look no further than Satellite's Fresh Start Shower. This innovative solution transforms an empty cabana of a standard-size portable restroom into a fully portable shower. It offers the comforts of a home shower experience, including heated water*. The propane-fueled, on-demand water heater ensures water is warmed to an average of 115° Fahrenheit and can be adjusted to meet the user's preference. Upgrade your services with the Fresh Start Shower for a convenient and comfortable shower experience anytime, anywhere.
