

18' 3-STATION | SHOWER COMBO

This trailer boasts three spacious, private shower rooms, each equipped with a sink and toilet. Your customers and employees will appreciate the comfort and privacy of having their own dedicated space for showering and changing, along with the added convenience of their own restroom facilities. This setup ensures a pleasant and hassle-free experience, making it an ideal choice for any campsite or construction site.

**Available internationally in Spa, Commercial, and Luxe interiors.*
