

30' COMMAND CENTER

Satellite Suites proudly presents the 30' Multi-Purpose Command Center, meticulously designed to serve as the ultimate base of operations for any bustling camp or work site. This mobile unit boasts a spacious 13' slide-out, featuring five workstations equipped with charging and connectivity, sleeping accommodations for up to five, a full bath with a large shower, refrigerator, microwave, couch, and a 50" TV/monitor.

The Satellite Suites Command Center is the epitome of an all-in-one solution for businesses in need of a versatile and mobile workspace. It provides a secure and comfortable environment for your crew to work, sleep, eat, and relax, no matter where your site is located. With the Command Center, the hassle of finding hotels for your crew in remote locations like man camps, outdoor concerts, oil fields, or film sites becomes a thing of the past. This practical solution is perfect for companies seeking efficiency and security, particularly for natural disaster clean-up efforts and construction sites. Now available in four different floorplans.
