

SANITRAX WASHBASIN MODULE

The Satellite Sanitrax Washbasin is a marvel of practicality, elegance, and intelligent design. Each module is crafted to ensure thorough and swift cleaning between uses, meeting the highest standards of hygiene.

Understanding the needs of end-users, Satellite has equipped the Sanitrax Washbasin with eight adjustable water-saving taps, four on each side, a full-width stainless steel mirror, and integrated soap and hand towel dispensers. This thoughtful design ensures a full day's worth of service. Additionally, four built-in wastebaskets make disposing of used hand towels effortless, keeping the Washbasin pristine and inviting.
